### How do I find out if a person has a license?

You can visit our website by clicking the link below or you can call [502-573-2002](tel:502-573-2002) to verify a license:  
[https://dhbc.ky.gov/newstatic\\_Info.aspx?static\\_ID=573](https://dhbc.ky.gov/newstatic_Info.aspx?static_ID=573)

It's always best practice to ask a licensee to see a copy of their license before contracting with them for work to verify if their license is active and that they have a license. Below you will find an example of what our license looks like for comparison.
