(1) Provide a brief summary of:

(a) What this administrative regulation does: This administrative regulation provides the definitions for terms needed in the interpretation of other sections of the subsequent administrative regulations in 815 KAR Chapter 15.

(b) The necessity of this administrative regulation: This administrative regulation is necessary to define terms used in implementing the Division of Plumbing, Boiler Section's statutory duty to establish administrative regulations that govern standards for boilers, pressure vessels, and associated pressure piping.

(c) How this administrative regulation conforms to the content of the authorizing statutes: KRS 236.030 requires the commissioner of the Department of Housing, Buildings and Construction to promulgate administrative regulations for the safe construction, installation, inspection, and repair of boilers, pressure vessels, and associated pressure piping.

(d) How this administrative regulation currently assists or will assist in the effective administration of the statutes: This administrative regulation defines terms present in the administrative regulations in 815 KAR Chapter 15.

(2) If this is an amendment to an existing administrative regulation, provide a brief summary of:

(a) How the amendment will change this existing administrative regulation: This amendment removes terms that are already defined in statute. The amendment adds definitions for the following terms: "Mobile Boiler Unit," "Temporary," "Accessible," "Manway," and "Historic Boiler." The amendment also edits and clarifies definitions to reflect current use.

(b) The necessity of the amendment to this administrative regulation: This amendment is necessary to eliminate redundant definitions, as well as define and clarify terms used elsewhere in this chapter.

(c) How the amendment conforms to the content of the authorizing statutes: This amendment clarifies the other boiler and pressure vessel regulations established by the Department pursuant to KRS 236.030.

(d) How the amendment will assist in the effective administration of the statutes: This amendment clarifies the other boiler and pressure vessel regulations established by the Department pursuant to KRS 236.030.

(3) Does this administrative regulation or amendment implement legislation from the previous five years? No.

(4) List the type and number of individuals, businesses, organizations, or state and local governments affected by this administrative regulation: All individuals engaged in the boiler and pressure vessel industry, and Department of Housing, Buildings and Construction personnel.

(5) Provide an analysis of how the entities identified in question (4) will be impacted by either

the implementation of this administrative regulation, if new, or by the change, if it is an amendment, including:

- (a) List the actions that each of the regulated entities identified in question (4) will have to take to comply with this administrative regulation or amendment: This amendment imposes no new requirements on the affected entities.
- (b) In complying with this administrative regulation or amendment, how much will it cost each of the entities identified in question (4): Nothing.
- (c) As a result of compliance, what benefits will accrue to the entities identified in question (4): 815 KAR Chapter 15 as a whole will be more clear and concise.

(6) Provide an estimate of how much it will cost the administrative body to implement this administrative regulation:

- (a) Initially: There are no anticipated initial costs to administer this regulatory amendment.
- (b) On a continuing basis: There are no anticipated continuing costs to administer this regulatory amendment.

(7) What is the source of the funding to be used for the implementation and enforcement of this administrative regulation: Any department costs of implementation will be met with existing department funds.

(8) Provide an assessment of whether an increase in fees or funding will be necessary to implement this administrative regulation, if new, or by the change if it is an amendment: There are no fees increased by this amendment.

(9) State whether or not this administrative regulation establishes any fees or directly or indirectly increases any fees: No.

(10) TIERING: Is tiering applied? Tiering is not applied as all individuals in the boiler and pressure vessel industry and Department personnel are affected by this amendment.
