

## SUMMARY OF MATERIAL INCORPORATED BY REFERENCE

Electrical Contractor's License Application, Electrical License Application, Provisional License Application, and Licensing Renewal Application

FILED: April 2023

The electrical contractor's license application, electrical license application, and provisional electrician license application, which are incorporated by reference are three (3) three (3) page forms that an applicant for an electrical contractor, master electrician, electrician, or provisional electrician must complete and submit to the department. The licensing renewal application, which is incorporated by reference, is a two (2) page form that a licensee must complete and submit to the department prior to renewal. KRS 227A.040(1) requires the Department of Housing, Buildings and Construction to administer and enforce KRS 227A.010 to 227A.140 and evaluate the qualifications of applicants for electrical licensure. KRS 227A.040(8) authorizes the Department of Housing, Buildings and Construction to promulgate administrative regulations to establish procedures governing the licensure of electrical contractors, master electricians, and electricians. KRS 227A.100(9) authorizes the department to promulgate administrative regulations governing an inactive license.

Summary of changes to material incorporated by reference:

1. A section containing the language related to KRS 164.772, which was repealed in 2019 was removed.
2. Prorated fee schedules were added to application forms.
3. A new form was created which gathers information from licensees necessary to renew their applications with the Department.
